Why bother?

• Like it or not . . . social media is here to stay
• It can be a huge part of a club’s outreach
• It sends a message that your club is ‘current’
• It is a GREAT way to connect and engage
Where to begin?

Choose one to get started . . .
# Facebook Page vs. Group

<table>
<thead>
<tr>
<th>Page</th>
<th>Group</th>

<tbody>
<tr>
<td>Official profiles for entities, such as celebrities, brands or businesses</td>
<td>Place for small group communication and for people to share their common interests and express their opinion</td>
</tr>
<tr>
<td>Visible to public</td>
<td>Secret – Can’t be found in search</td>
</tr>
<tr>
<td></td>
<td>Closed – Can be found in search, but you can’t see content</td>
</tr>
<tr>
<td></td>
<td>Public – Can be found in search and content is visible to all</td>
</tr>
<tr>
<td>One or more admins control posting info that becomes visible</td>
<td>Member-to-member posting</td>
</tr>
<tr>
<td>Anyone can choose to ‘Like’ or ‘Follow’ page to have posts pulled into news feed</td>
<td>Must be a member to get posts pulled into your news feed</td>
</tr>
<tr>
<td>Supports photos and videos</td>
<td>Allows upload of files in addition to photos &amp; videos</td>
</tr>
</tbody>
</table>

What are District 6290 clubs doing?

Four clubs have no online presence. Some clubs have a Facebook ‘Page’ as well as one or more ‘Groups’ for member-to-member communication.
What’s the benefit of social media?

- Websites tend to be static reference sites
- Social media presence can show the life . . . pulse . . .
- It offers significant, effortless reach beyond your club

NEVER have a single Admin

• Don’t risk having your Admin leave the club leaving you unable to manage the page
  – Consider club policy that routinely assigns admin responsibilities to club secretary just as backup
  – If necessary, ask District if they might serve as emergency admin

• Multiple Admins can share the work
  – One or two can be primarily responsible for regular posts
  – Provides consistency & backup to cover for vacations, personal emergencies etc
  – Active members with good social media skills can capture/post photos/videos while at club service projects
Basic terminology

- **“Timeline”**
  - The posts that appear on your home page

- **“Like”**
  - Liking a *page* brings their posts into your news feed, and it also causes page to show up in list of pages you’ve liked.
  - Liking a *post/photo* from another page logs an entry into the news feed sent out by your page

- **“Follow”**
  - Brings a page’s public posts into your newsfeed whether you ‘Like’ the page or not

- **“Comment”**
  - Notifies ‘owner’ of page and puts entry into your outbound news feed

- **“Share”**
  - Moves post from your news feed or from another page to your Timeline, and includes in your outbound news feed

BONUS . . . it’s a easy way to keep your website fresh

Use Facebook social media ‘plug in’ to embed FB content on your home page
Start to create a buzz

• Allow others to post comments and photos on your page
  – Controlled via ‘Settings’
  – Posts by others not automatically in your News Feed
  – Be sure to have Facebook ‘Notify’ you of activity (in Settings)
  – You can delete unwanted posts
  – You can ‘Share’ great posts

• Encourage members to ‘Like,’ ‘Comment’ and ‘Share’ information from your Club that appears in their news feed
  – This is your greatest opportunity to increase reach!
Make it EASY to maintain activity!

- ‘Like’ neighboring clubs, Rotary International, District 6290
- ‘Like’ local non-profits and other organizations you support
- Check newsfeed daily for things you can ‘Share’

*It only takes a few minutes
You can even schedule ‘future’ posts*
Staying active – one approach

- Monday – Post the upcoming Speaker with picture & bio
- Tuesday – Share something from the District page
- Wednesday - Share something from the RI Facebook page
- Thursday – Grab a video from YouTube
- Friday – Post something about a new member, event, community project, etc.
Think and act beyond the club

- Create a Facebook ‘Event’ for major activities so it’s easy for others to share and invite their friends
- Post a ‘thank you’ to FB page of your speakers’ organizations
- Post on pages of local organizations that can help promote your club events/fundraisers/projects
- Post a ‘thank you’ on pages of local media that help cover your events
- Use Facebook Ads and/or Promote posts to increase reach
Common pitfalls

• Club creates page but doesn’t keep it active
• Club doesn’t have engaging Cover Photo
• Page has missing or incomplete ‘Page Info’ (About)
  – Include link to club website
  – Include meeting day/time/location information
  – Include your mission, your service projects, what makes you tick
• Make it easy for others to find you
  – Prominent, recognizable link at your website (use logo)
  – Create a Facebook user name, ideally matching your website domain (https://www.facebook.com/username) to eliminate long string of cryptic numbers in page path

District began regular (nearly daily) posts after May 2013 District Conference
Note the impact in 2017 – Admin was off radar in May but back in full swing in September
Establish a policy for your club

• Will you allow others to post to your page?
  – Will you require posts be approved by admins before they are visible?

• What kinds of pages will you ‘Like’

• What ‘Posts,’ ‘Shares’ and ‘Comments’ are acceptable?

• Will you require permission to post member photos? Photos of kids?
**Things we do . . .**

- Publicize and/or re-cap club events
- Promote Rotary events/programs in general, including events/good deeds of other Rotary Clubs.
- Acknowledge Rotarians that are making a difference. Focus on our members, their volunteer and/or philanthropic efforts, and situations where a member’s business is recognized in the community as a whole, such as Small Business of the Year.
- Promote community-based non-profit fundraising events, in particular those where we have a member connection.
- Post to pages of organizations/individuals who have taken the time to speak at our club or otherwise support our club.
Example from Traverse Bay Sunrise Rotary (Nancy’s Club)

**Things we do NOT do . . .**

- Political and/or Religious related postings.
- Promote a specific business for their commercial gain. We can acknowledge their public recognition for positive, community/charitable activities . . . in particular where it involves a member, but that’s it.
- Post anything that specifically names individuals in a way that provides public notice that they will be at a particular event or away from their home.
